Austin Seven Clubs Association (A7CA)

Meeting on Sunday 17th January 2010 at Gaydon

Minutes

1. Welcome

Bernard welcomed all attendees to the Meeting and wished all a Happy New Year and great A7 motoring in it.

2. Attendees & Apologies

lan asked attendees to complete the attendance/apologies sheet being circulated and update their e-mail address if necessary. He also asked if anyone could help to close the very few gaps in our e-mail list. Attendance/Apologies List is at Attachment 1

3. Minutes of Previous Meeting

3.1 Approval

lan noted one correction – apologies for omission of apologies from Graham Smith (Solent A7C) – and asked for: Agreement to the Minutes of the Meeting held on 11th October 2009 Proposed by: Den Huke, Seconded by: Les Gammon, All attendees agreed.

3.2 Matters Arising

lan noted there were no items arising not covered in the Agenda

4. Chairman's Report

Bernard thanked Ian for getting the Association mechanics back on track through the year – Ian responded by saying it was really down to *all* the Association Officers who are now working so well together to deliver a great service to members *and* to the members themselves without whom the whole affair would be pretty pointless!

Bernard then highlighted our current financial surplus and asked for positive ideas on spending for the benefit of members – he suggested more archive re-prints.

Bernard also said it was timely to start thinking about ideas for the Association to celebrate the 90th Anniversary of the Austin 7 in 2012 (see later at Para.10)

5. Secretary's Spot

5.1 Correspondence

lan noted he had received no formal correspondence – not covered elsewhere in the Agenda

5.2 Membership

a. Overview

lan reported that we now had a total of 61 Member Clubs, Associates and Registers - of which 22 are overseas in 16 Countries – and more to come! He rejoiced that he now had consistent e-mail contact with all members and officers except just 7 who were still not on the net.

b. Scottish A7 Club Representation

Nick Beck informed the Meeting that he is now taking over from Eric Miles as the Scottish A7 Club Representative. Meeting recorded their thanks to Eric for so many years of service and support in the Austin 7 Movement.

c. A7CA President

Ian reminded the Meeting that our President Bob Wyatt wishes to join us at our AGM:on 18 April 2010 and would welcome an offer of a lift.

ACTION: Howard to contact Bob and provide transport.

d. Membership Applications

Ian reported that he had been in discussion with two new A7 Clubs who wished to join the Association. From this interchange of information he was confident that they are *bona fida* A7 Clubs, have a Committee in place and meet regularly:

i. Devon A7 Club

Devon A7 Club Contact is: Howard Palmer E-mail: devon.sevens@hotmail.co.uk

ii. Herefordshire A7 Club

Herefordshire A7 Club Contact is: Michael Ward E-mail: m.ward789@btinternet.com

Meeting welcomed these requests and approved their applications in principle but requested that Representatives from each Club attend our AGM (18th April 2010) so they can learn more about the respective Clubs prior to ratification.

ACTION: Ian to advise the Clubs and extend an invitation to the AGM

An updated List of Members at Attachment 2.

6. Treasurer's Report

Eric provided his Financial Report to Ian – at Attachment 3

For the Period 12 months to 31st December 2009, the Balances were:

Income: 21,449 (16,400)* Expenditure: 14,924 (17,375)*

Cash at Bank: 42,037 (35,512)* * previous year's figure

a. Discussion Point 1

Meeting recalled their agreement that Eric would invoice ALL Overseas Associate Members for their £5 A7CA Subscription. Meeting: added that ALL Members including Overseas Associate Members should pay for their Magazines (£1 per copy) and related postage costs, including 'back number' requests. Meeting Agreed these arrangements

ACTION: Eric to invoice members for these costs (say annually) in the most cost-effective way possible

b. Discussion Point 2

Meeting recognised that some Member Clubs provide an invaluable contribution to the work of the Association through the provision of A7CA Officers and their attendance at meetings was to the benefit of the Association. Whereas the attendance of Reps from the Clubs at meetings, whilst very welcome and indeed vital, was to the benefit of the closed. Meeting recommended that the Association reimburse the travel costs of A7CA Officers (as formally elected), if they so requested.

ACTION: Ian to place this Recommendation on the Agenda of the Association AGM (18th April 2010)

Eric finally wished to remind the Meeting that ALL requests for A7CA reimbursement should be confirmed by the A7CA Chairman and be supported by an appropriate Invoice or Receipt.

Meeting expressed a huge vote of thanks to Eric for keeping the Association is such good financial fettle especially at such difficult economic times and for the clarity of his reporting.

7. Information

7.1 Magazine

a. Editor's Comments

Robin reported that all was going well and good quality material was being provided. As always news of what members are *doing* in their Austin Sevens is especially welcome.

Meeting thanked Robin for the production of such an excellent Magazine which was such a credit to the Association.

b. Magazine Distribution

Les reported that we now distributed about 4000 member clubs each quarter. He underlined that his responsibility is to ensure effective distribution of magazines to Clubs and from thereon it

became the responsibility of Clubs to get them to their members. He also said that he now held just 50 spare copies of each edition which he immediately passes on to Howard – as 'back numbers. He requested that all changes of requested quantities from Clubs be passed to him and he would apply to the NEXT distribution.

ACTION: ALL to advise Les of changes to their distribution numbers as required

Meeting thanked Les for ensuring our excellent Magazine gets to our readers.

c. Magazine Back Numbers

Howard confirmed that, in view of the above arrangement, all requests for Magazine 'Back Numbers' arising immediately AFTER each distribution should be addressed to him.

ACTION: ALL to note this arrangement

7.2 Website

Ilke has made great strides in re-establishing the Association's Website: www.a7ca.org She underlined that her rôle was essentially 'under the bonnet' ie ensuring that the machinery and presentation of the site was in order – the CONTENT of the Site was down to the Officers and Members. She especially welcomed news items but only as 'finished products' ready to place on the Site plus photos – but not too large! Recommendations and updates to appropriate links to other sites were also valuable.

Meeting thanked Ilke for her tremendous efforts in getting this vital part of our work as our 'face' to members and public up and running again.

7.3 Advertising

Hazel reported that the Association had received £1699 in 2009 and over £1000 already in January 2010 from Association advertising.

Meeting thanked Hazel her valuable work in promoting the Association and stoking our coffers.

lan said he wished to be advised of any wrong references to the Association in publications and on Websites.

ACTION: ALL to alert Ian of any errors found

8. Archives

Phil reported more Archives were coming to light particularly through the Association Website. Notable amongst these was the Garrard Gold Watch presented to Stanley Edge for 25 year's service in the motor industry (1929 – 1953) – subsequently a presentation case for the watch had been kindly donated.

Other new items include: a 'Pioneer' advertising brochure (1931) covering both short and long-wheelbase models, and an A7 Handbook in mint condition.

Especially welcome, and unusual, is original material (in Dutch) on Austin Delivery Vans from Hugo Blankenbijl of the Dutch Pre-war A7 Owners.

A slightly different initiative is that Phil is assisting the FBHVC in updating an article on the 'Law and the Austin 7' – watch this space!

He is also assisting 'Practical Classics' Magazine with requested Archive material. Phil is holding the next Archive Open Day on Sunday 25th April – National 'Drive It' Day! Scottish A7 Club and other members have requested space in the Archive Room for their Archive material.

MEETING agreed this in principle and asked Phil to develop the details with Members.

Bernard brought along a brochure for the National A7 Quiz – April 1973 priced 2 Shillings – which showed an amazing trophy comprising a miniature A7 headlamp shell mounted on a model chassis. We learnt from Gill Davis that the trophy was still in use in Norfolk and the Essex Club still runs an A7 Quiz.

Phil reported that the Waite Trophies had now been restored and valued. After reviewing a number of insurers' terms and prices, he recommended Aston Scott (the Association Public Liability insurers) who quoted a premium of under £500 for our entire current Archive – the only stipulation being that we had to identify all items in excess of £2000 such as the Waite Trophies, Stanley Edge drawings and the Jamieson twin-cam engine drawings.

Discussion Point

Meeting considered the question of A7CA Archive insurance and recognised that, by definition the material, was literally irreplaceable. However, in the light of the low premium offered and as it covered the costs of repair in the event of fire or break-in or recovered theft the consensus was to accept the Scott Aston offer. Meeting agreed to insure the A7CA Archives with Aston Scott and thanked Phil for obtaining this cover and for his huge contribution to our Movement through our Archives endeavour

ACTION: Ian to inform Scott Aston of this decision and have them invoice Eric for the Premium

9. Support

9.1 Suppliers and Spares

Bob Cross reported that he was busy compiling a new version of the Red Cross Guide and all inputs or changes are very welcome. He also has agreed to be an ongoing focal-point for A7 spares and services for the Association, including compiling comments received from members.

MEETING thanked Bob for his massive support to keeping our babies in tip-top condition.

9.2 Breakdown Register

Gordon reported responses are coming in and thanked Clubs who had responded for their input but MORE are needed to give a comprehensive coverage – there are still several significant gaps. He also said that in some cases there might be a few *too* many contacts – his view from experience was that two names (who themselves might have more locally) was about best for the Register.

ACTION: ALL CLUBS who have <u>not yet replied</u> to identify the Breakdown support available from their Members and pass to Gordon via their Club Representatative – ideally two contacts per Club

(it is recommended to put this request on Club Membership Forms)

MEETING thanked Gordon for persevering in this Association task so helpful when misfortune strikes.

10. Events – via lan

a. A7CA Annual Calendar of Events - 2010

Bernard Griffiths thanked everyone for contributing to the A7CA 2010 Event list (at Attachment 4)

MEETING gave a huge vote of thanks to Bernard for putting together this important part of our work and especially also to Mike Knights-Whittome for his vital PC support to this effort.

Ian with help from Bernard G, and ALL Members, will keep this List updated throughout the year.

It comprises:

- (a) A7CA Events (as agreed by the Association)
- (b) Member Club Events available to A7CA Members
- (c) Member Club Events not open to other Clubs (to aid Club-planning and avoid clashes)
- (d) Other Events of interest

Ian confirmed that all Member Events are in principle open to other Members but necessarily limited by the practicalities of each event as determined by the Hosting Club and that clearly 'Competition Events' are governed by the Regulation of those events.

b. Updates Received

Other Events:

Doncaster Classic Car & Bike Show – Sunday 25h July 2010

Rotary Club of Doncaster St. George's and Traditional Car Club of Doncaster Classics of all ages

Nigel Thorley Tel: 01302 771818 Website: www.doncasterclassiccarshow.org.uk

Meeting had already learnt that the 750 MC – N. Herts Centre – has decided to run a Eurotour in 2012 with Janet Edroff in the lead and the redoubtable Ken Cooke as 'technical adviser'! Gill reported that a circular tour to Switzerland was the most likely candidate at this stage.

Meeting at its previous meeting had been asked for views on an A7CA European Event in the 'inbetween' years, potentially complement the Eurotours. No views had been received from Clubs, so this item is placed in abeyance but all ideas and proposals are still welcomed

d. A7CA Coast - 'Round Britain' Update - Ian

Based on the approach outlined at the previous meeting we now:

- go for a route that is best suited to A7s, near, but not necessarily on the 'Coast'
- so change the title to 'A7s Round Britain'
- reduce the info from each Club/Centre to the 'Route', plus any points of interest they might like to add and one lead point-of-contact (plus a back-up)
- when established, the resultant 'Route Book' could be used by Members in a variety of ways a basis for Club Holidays, individual trips and loads of other ways.

A breakdown of the suggested initial responsibility for the Route-development (A7CA Rep.) is at Attachment 5 – it is anticipated that each Rep. will find an appropriate keen 'volunteer' to take the lead on this initiative (notably the 750MC)

lan noted a few Clubs had come back to say he'd not made the most appropriate allocation and he welcomed *any* suggested changes.

ACTION: ALL to confirm with Ian that they can support their part of this Project and identify a leadperson for their Section or propose changes

e. A7CA Celebration Event(s) for 2012 - Ian

Ian was sure All Members remembered that 2012 is the 90th Anniversary of the First Austin 7 as Bernard had mentioned earlier.

The Association has already received a kind invitation from the South Australia A7 Club to the: Australia 2012 National Rally - 1 to 5 October 2012 and the Bay to Birdwood Run - 30 September 2012 Info: www.austin7clubsa.com.au

lan expressed the view that it was essential that the Association also marks this notable Anniversary with at least one major event and that it was not too soon to start seeking ideas!

ACTION: ALL to send Ian ideas for Anniversary Events

11.AOB

Special Sub-Group Meeting - Ian

An idea was floated at the previous meeting that Club Editors and Website Managers might like to get together to share ideas and experiences – either together or separately. It was a prevailing view that these people are in good contact already without having to meet. There was no support for this notion so we'll put it in abeyance.

Vehicle Insurance

As you will know, the A7CA adopted Insurer is: RH Specialist Insurance Division, PO Box 3203, Brentwood, Essex CM14 4GGG Tel: 01277 206911

Over the years RH has provided tremendous service to our Members including 'assured values' and a highly effective European Breakdown Recovery Service at amazingly competitive prices. However, recently Robert and Fenella Leigh of the CA7 & VCC experienced an unexpected difficulty with the European Recovery service provided – car recovery no problem - but the RH Agent in Italy (IMA) restricted the use of the hire car provided to 'Italy only'. Ian has contacted Richard Hope of RH and in summary he says that:

- returning the driver/passenger to their home address is covered in the insurance (as well as the vehicle of course)
- they will always *try* to provide a hire car for this if preferred and *ideally* one from the breakdown to the channel port/tunnel and then another one from the UK port/tunnel to home; if not possible they pay for train travel or you often can opt to travel with the car in the recovery vehicle.

- unfortunately they can NOT always guarantee a *single hire car* through two or more continental countries, as that's up to the hire company concerned.

The relevant text from the RH Policy is at Attachment 6 (page 33)

Over the years reports of RH service to members has been very positive and great value for money – it would appear that Robert and Fenella's were unfortunate bur untypical.

ACTION: Ian to confirm this view to RH and encourage them to ensure the their hire car operators in mainland Europe – Europear – can provide cross-border service.

Christmas Calendars

Dave Wilcox on behalf of the Pre-War A7 Club, and through the generosity of Jonathan Cooper, at our previous meeting offered period photographs for a Photographic Calendar.

All who had taken advantage of this wished to thank Dave for this kind offer.

Austin 7 Special Register

Martin Field has bravely volunteered to assemble a Register of Austin 7 Specials. After some e-mail 'chatter' it is proposed to include any A7-based special that is not the product of a manufacturer's regular production run or included in any other A7 Register. In addition to the probably un-ending task of identifying the vast array of A7 Specials, the hope is to include information on technical innovations used in Specials and identifying suppliers.

Contact: Martin Field, Sydney House, Mullincourt Road, Outwell, Cambridgeshire PE14 8PX Tel: 01945 772377 E-mail: paglesham@yahoo.co.uk

Meeting thanked Martin for taking on this challenging task and undertake it in close coordination with Steve – A7 Sports Register

ACTION: ALL to encourage their A7 Special Owners to add to their details to the Register

Federation of British Historic Vehicle Clubs (FBHVC) - Howard

Howard, as the Association's Representative, attended the FBHVC Meeting on 17 October 2009 from which he confirmed that this was a vital body to ensure the continuing use of our cars on public roads. He noted that membership, notwithstanding that the Association is a member, is by Club and all are encouraged to join in order to support this important work.

ACTION: ALL to give consideration to joining the FBHVC

A7CA Public Liability Insurance - Howard

Howard reminded the Meeting that the Association Public Liability insurance with Aston Scott is due in February 2010 with one minor correction – insurance of 'cash' to be £200 per Club.

ACTION: Ian (in Howard's absence) to contact Aston Scott (Ed McDarmaid) to renew and make this amendment – also to confirm our Archives Insurance also with them (para. 8 refers)

John Coleman

With deep regret, Ian reported that the great A7 adventurist, writer and enthusiast John Coleman died earlier this month. Through contact with his son Kai Coleman, it is hoped to arrange a fitting A7 tribute to John. Many at the Meeting signed a card of condolence for John's family which Ian will send to Kai on behalf of the Association.

POST- MEETING NOTE: Viv Orchard A7OC (IoW) has kindly agreed to coordinate the Association attendance and cars: Tel: 01983 568941 E-mail: vivian@orchard748.fsnet.co.uk

12. DATES OF NEXT MEETINGS

lan said he will circulate the Minutes of the Meeting and a short Summary for Clubs'
Newsletters/Magazines asap. Ian requested that ALL recipients let him know when you get them
– just to check the e-mail addresses are still current

ACTION: ALL recipients

Our NEXT confirmed Meetings at Gaydon are on:

All dates had been confirmed with Gaydon. Ian proposed the following Meeting Dates:

<u>Attachment 3: A7CA Financial Report – 17th January 2010</u>

Eric H Jones, Treasurer

A7 CLUBS ASSOCIATION Meeting at GAYDON SUNDAY 17th JANUARY 2010

TREASURER'S REPORT

1. Accounts 12 Months to 31St December 2009

The Accounts for the 12 months of 2009 are attached and show a Surplus of Receipts over Payments of £6,525.

2. Income

-Magazine Sales have been satisfactorily invoiced for the four issues of 2009 and most have been paid to us in that year. Debtors at the end of the year are £1,214 — U.K. of £366 and foreign of £848 — and this is higher than previous years as we are now invoicing the foreign associates annually instead of quarterly. £199 of the foreign debtors is from 2008 but I anticipate that this will be cleared soon.

-Of the Magazine Sales income of £1 7,988, almost £3,900 is for 2008.

3. Missing Banking

On 29th September 2009, I posted a banking of £276.56 to the Abbey for credit to our bank account. This amount has not yet been credited to us and I have asked the bank to investigate it for us. I anticipate that they will deny receipt of it and we will be left with no alternative but to request replacement cheques from our customers.

4. Archive Insurance

As most of the items in our Archive are not replaceable and are veritably impossible to realistically value, I have suggested that there is little point in spending out on insurance premiums for them. No doubt this point will be raised for discussion at the meeting.

With the Arthur Waite trophies now with us, we will, I expect, be anticipating an annual premium of at least £500 but this will depend on the value we place on them.

5. Cash at Bank is now: at £42,000. What shall we do with it?

Kind Regards and Best Wishes to you all for A Happy and Healthy 2010.

Ann & Eric Jones

1. Magazine Sales Income for both years has been distorted by late invoicing — **Notes** and, hence, late receipt of payments to us — and comparison is difficult. However, it is not expected that this problem will extend into the new year.

INCREASE/(DECREASE)

- 2. Regrettably, no satisfactory annual investment has been made as banks are not currently offering attractive terms to clubs, etc. Perhaps 2010 will bring a worthwhile change here.
 - 3. The £1,799 includes £1,190 for work on the Arthur Waite Trophies.

£(975)

£6,525

4. Cash is still accumulating with a cash surplus of £6,525 for the year and a current Balance at Bank at 31st December 2009 of £42,037.
